

For emergency response or support requests:
Call our National 24/7 Emergency Number
01324 665 011

Our specialist urban search and rescue volunteers can help you deal with incidents in your region, providing support to category one responders in the emergency services, health and local authorities. We are a nationwide organisation with an extensive training programme in urban search and rescue for the UK and overseas.

Urban Search and Rescue

We have attended earthquakes and other disasters for over 30 years working closely with local agencies, the United Nations, other search and rescue teams and various aid agencies.

Rubin Dario - El Salvador 1986

Glasgow Stockline Plastics
Factory Explosion 2004

Rescuing Maqbool Pakistan
Earthquake 2005

What we can offer

- A free of charge service responding 24/7
- Complete search teams equipped with specialist search equipment such as thermal imaging cameras and ultrasonic listening devices
- Blue light rescue ambulances and qualified response drivers
- VHF radio and satellite communications for remote environments
- Water search teams with inshore and coastal rescue boats suitable for hot zone operations

In safe hands

Some examples of situations we have responded to are indicated on the map.

To see more missions and for more information about our response to earthquakes and other disasters visit www.intrescue.org

Our volunteers have completed training to a high level of competence. All operational members have trained to an advanced level in the skills necessary to locate and rescue survivors.

Contingency planning

We welcome invitations to take part in your Local Resilience Forums to share our capabilities and our experience.

As part of your contingency planning we can form longer term partnerships such as memorandums of understanding to help you utilise our free service.
