

For emergency response or support requests:
Call our National 24/7 Emergency Number
01324 665 011

Our specialist urban search and rescue volunteers can help you deal with incidents in your region, providing support to category one responders in the emergency services, health and local authorities. We are a nationwide organisation with an extensive training programme in urban search and rescue for the UK and overseas.

Missing Persons

We have attended missing person searches nationwide for over 13 years on request by police forces who recognise the skills and expertise IRC can bring to finding missing people.

What we can offer

- A free of charge service responding 24/7
- Complete search teams equipped with specialist search equipment such as thermal imaging cameras and ultrasonic listening devices
- Blue light rescue ambulances and qualified response drivers
- VHF radio and satellite communications for remote environments
- Water search teams with inshore and coastal rescue boats suitable for hot zone operations

Water Searching Capability

Experts in navigation

Specialists in land searching techniques

In safe hands

Some examples of IRC Missing Person searches in the UK are indicated on the map.

To see more missions and for more information about our response to UK missing person operations visit www.intrescue.org

Our volunteers have completed training to a high level of competence including the use of specialist search equipment on land and water. Our teams have extensive experience of searching difficult terrain.

Contingency planning

We welcome invitations to take part in your Local Resilience Forums to share our capabilities and our experience.

As part of your contingency planning we can form longer term partnerships such as memorandums of understanding to help you utilise our free service.
