

For emergency response or support requests: Call our National 24/7 Emergency Number 01324 665 011

Our specialist urban search and rescue volunteers can help you deal with incidents in your region, providing support to category one & two responders in the emergency services, health and local authorities. We are a nationwide organisation with an extensive training programme in urban search and rescue for the UK and overseas.

General Support (Civil Contingency) UK

We have attended events in the UK for over 30 years in a general support role working closely with local agencies.

What we can offer

- A free of charge service responding 24/7
- Blue light rescue ambulances and qualified response drivers
- 4X4 transport
- A variety of cutting equipment used by trained and experienced personnel
- VHF radio and satellite communications for remote environments
- Water search teams with inshore and coastal rescue boats suitable for hot zone operations

Adverse Weather 2013

100 mph Winds 2011

Hull Floods 2007

Structural Collapse 2004

In safe hands

We can offer assistance:

- ❖ To vulnerable people, and support to the category one & two responders
- ❖ At floods and water incidents, train crashes and plane crashes
- ❖ At weather related incidents e.g.: help with wind damage
- ❖ With height rescue
- ❖ In a structural collapse incident
- ❖ In transportation support for NHS / local authorities staff

Some examples of situations we have responded to are indicated on the map. To see more missions and for more information about our response to UK events visit www.intrescue.org

Contingency planning

We welcome invitations to take part in your Local Resilience Forums to share our capabilities and our experience.

As part of your contingency planning we can form longer term partnerships such as memorandums of understanding to help you utilise our free service.
